

2023 WOBA Membership

As our local businesses are still affected by the ongoing pandemic, we will not be increasing dues this year. If your business has recovered from the initial impacts of COVID-19, please consider a Sustaining Membership for 2023. Sustaining Memberships represent the true membership cost of operating WOBA, and comes with additional benefits.

There is a strong sense of optimism in our community for 2023, and we welcome the opportunity to welcome new members this year! If you are not a current member, visit our **Membership page** to learn more about the benefits of membership.

Current members, now is the time to renew! Please take a few moments to update your Account profile, post your logo, and offer a coupon or discount through the new WOBA member directory! Visit **www.WestOlyBusiness.com** to sign into your account, request your new password, and renew your membership!

2023 is sure to be a positive year for business in West Olympia, and we look forward to engaging with you over the months to come, and hopefully returning to in-person Association Meetings soon.
